

# Video Summary of Ratan Tata interview

Syed Khalid

June 7, 2022

1. RT boasts about his hyper-capitalistic company's philanthropic interests, with a strong claim that the company's interests are not in profit but only in the nation.
2. RT analyses how the needs of the nation have been inverted, corrupted even by huge MNCs.
3. RT expounds the many seeming virtues of the TATA work culture. He also continues to confess his many mistakes as a leader.
4. RT gives many examples of his humility.
